

YONA

YONA

BROKERS COMMENT

YONA was commissioned in 1981. Since then, she has been a truly private yacht, used mainly in the Med, maintained to the very highest standard throughout, her elegant classic lines and expert Dutch build, make her a very attractive option for clients looking to buy quality and timeless design.

The interior is welcoming and bathed in natural light. It has been kept in a classic nautical style with warm mahogany panelling, highest quality furniture, textiles and flooring. There is something very reassuring about the Owner's insistence to get things right and focus on details that truly showcase the potential of this yacht.

Accommodation for six guests comfortably with the option of using the crew cabin for an additional 2 guests.

She is an extremely comfortable and a go-anywhere yacht with an impressive range.

“YONA offers a lot in her 21m, from a selection of external dining and relaxation areas to well-appointed saloon and cabins, she is a perfect package of functionality, design and sea-worthiness. She can be enjoyed for many years to come.”

MAIN DECK AFT

The aft deck is the perfect place to welcome guests, it presents a generous oval table and wooden chairs with blue cushions, simple and gracious. All the teak decking has been replaced giving a fresh well-maintained feel as soon as you step onboard.

SALOON & GALLEY

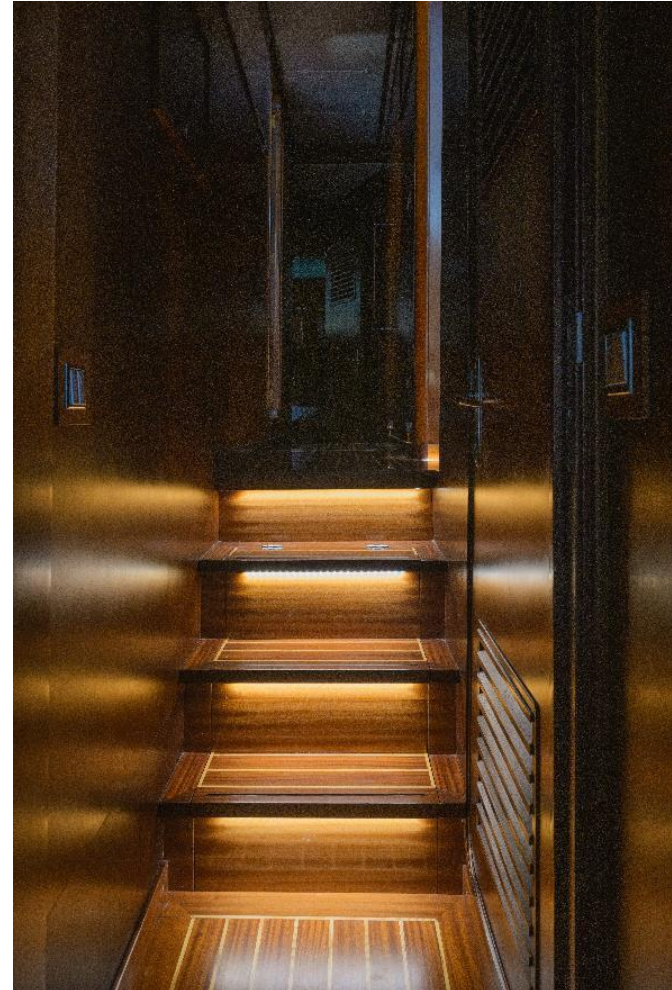

Entering into the main deck saloon the room offers a “C” shaped seating area, with new upholstery and a central table that can be extended and/or lowered electronically. Facing this is some cabinetry providing good storage. In the central cabinet is the WIFI system and a “pop-up” TV. The ambience is light and refined with enough windows and natural light to allow guests to enjoy the outside from the comfort of the saloon. The floors are mahogany stripes with white maple detailing. The saloon then leads through to the galley which is well appointed with the latest appliances (MIELE/ BOSCH) and ample working space. Past the galley are steps leading down to the lower deck accommodation.

The wheelhouse is accessible from both external passageways and the saloon. It has been completely updated whilst still maintaining its classic charm.

MAIN DECK FORWARD

The bow has a sunbathing platform complete with cushions, that can be converted into a delightful dining area with two seat benches and teak table. There is a custom awning that can be used or removed depending on guest preferences.

The starboard passageway has a new royal side ladder allowing guest easy access to the tender and water.

UPPER DECK

The outside aft upper deck, which can be accessed by stairs from the aft deck cockpit, has a very appealing relaxation area which features a table and chairs for dining or entertaining with a removeable canvas shading

LOWER DECK

From the staircase in the saloon, you will reach the lower deck with the 3 guest's cabins and crew cabin.

MASTER CABIN

The Owner's suite has a feeling of space and comfort; it has been totally refitted. There is a king-size bed, ample closet space and a beauty and makeup mirror and draw encased in the cabinetry. There is a small sofa. The en-suite bathroom, detailed in Brazilian marble is equipped with a shower. There is led lighting with a delightful stary effect above the bed.

TWIN GUEST CABIN 1

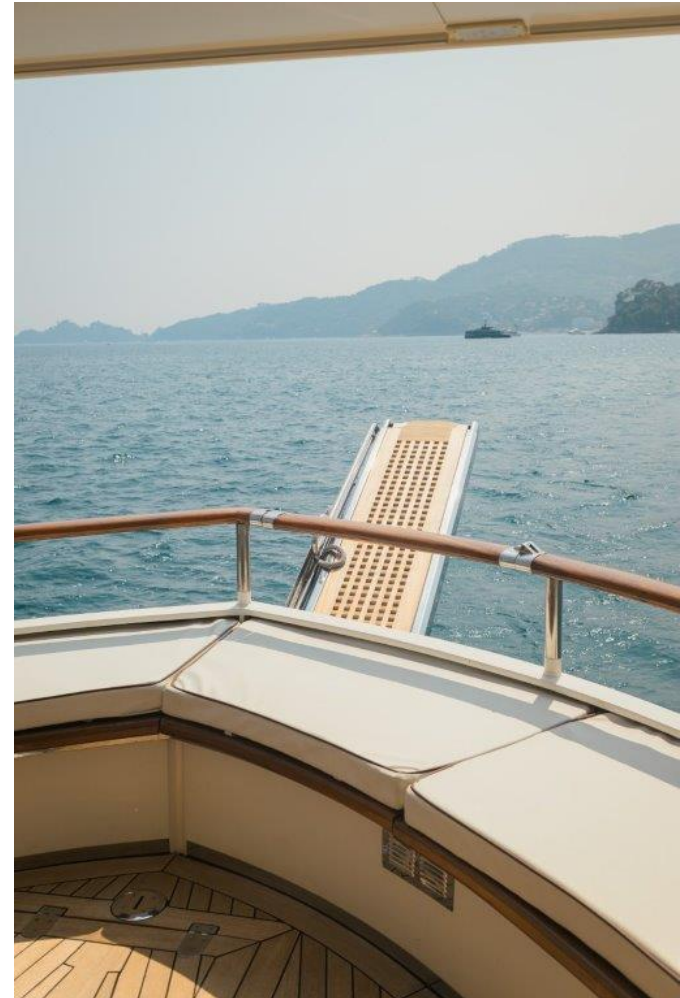

Twin bedded cabin L-shape beds and ensuite shower.

TWIN GUEST CABIN 2

Cozy and comfortable cabin with bunk beds.

CREW CABIN

2 single beds with ensuite shower.
